

**Chesterfield GP Practices are working together to offer greater access to appointments outside the usual surgery hours!**

You can now book to see a GP, Practice Nurse or other health professional at the 8-8 Access Hub held at Brimington Surgery:

**Monday to Friday 18:00-20:00**

**Saturday 08:00 -12:00**

**Sunday 09:00 -12:00**

For more information or to arrange an appointment speak to the Practice reception team on 01246 456938.

*To be able to book an appointment within the hub you will need to consent to your medical records being shared with the Access Hub. This is to enable the clinician to treat you safely with a full view of your medical history. If you do not consent to this then you can still book the next available appointment in surgery during our usual opening hours.*
